

Generous Living & Cheerful Giving

II Corinthians 9:5-7

You were designed for generosity!

- GK. “bountiful abundance”
- Generosity - a desire to give more
- Covetousness - a desire to have more

Generosity

- more than an amount – it’s an attitude
- not measured by how much you give but how much it costs you
- “The essence of generosity is self-sacrifice.” - Sir Henry Taylor

A place of sacrifice becomes a place of provision

- Jehovah-Jireh - “to see”
- Do you live with a “limited” mindset?
- Who or what has befriended your thoughts?

Cheerful giving:

- an expression of love

- reveals the heart and hands of God
