MINISTRY DESCRIPTION

You will leave JFK on October 11 and fly to Belize City, Belize. After going through customs, you will be met by your hosts, Ron & Linda Braaten and taken to their base in San Ignacio which is located on the Guatemalan boarder, northwest of the capital city Belmopan.

During the next few days you will be hosted in a comfortable dorm (constructed by another SGT building team) right in the middle of a jungle. You will have nice beds and live comfortably.

Your ministry may be varied. You may do kids ministry in public schools, participate in church services doing drama, music or preaching, be part of a VBS, repair vehicles or church buildings or even build a home for a local needy family.

You will also have an opportunity to take a short trip to see the culture and even a day to swim and snorkel at an off- shore island.
